KOENIGSEGG AR

Scan the code, tap Start AR, then point your phone at the code.

The car drives laps around it. Keep this page flat and well lit.

Print at 100% (actual size): the code should measure 3 inches across including its white border.

3D model: "Koenigsegg One Pro" by Head to Turbosquid - Allay Design (sketchfab.com/Alister.Dsa), CC BY 4.0
